

RCC Welcomes You – Let's Stay Healthy Together!

We request that patrons and staff please follow these social distancing and hygiene best practices in our facilities.

Stay home if you feel ill or have a temperature of **100 ° (F) or more.**

Maintain **six feet** of social distance at all times.

Wear a face mask covering nose and mouth in all public areas – unless engaged in activity where that is not feasible.

Wash hands frequently; do so with soap for 20 seconds or use hand sanitizer if handwashing is not available.

Be considerate of others by **arriving on time** and **departing quickly** to assure we can maintain required facility capacities.

If you are recharging a personal device, or otherwise using our lobbies, please be considerate and **limit your time to an hour or less.**

RCC is using enhanced cleaning methods in all public and office areas at RCC Hunters Woods and RCC Lake Anne. We are committed to taking every measure we can to stop the spread of COVID-19. Thank you for your cooperation with these efforts to keep everyone safe.
