## BOARD MATTER

### SUPERVISOR CATHERINE M. HUDGINS HUNTER MILL DISTRICT July 27, 2010

#### Aging in Community Forum

On October 9, 2010, from 1:00 PM to 5:00 PM, Aging in Reston: A Community Forum for Hunter Mill District will be held at the Reston Community Center at Hunters Woods. Reston Founder, Robert E. Simon will be the keynote speaker on his original village concept as it connects to aging in place. Also included will be a panel on innovative aging programs from other locations, and breakout sessions. District residents, along with the Reston Community Center, Reston Interfaith, Reston Association, and Reston Citizens Association are all working together designing a program that explores existing local and County resources.

A community survey is being conducted by volunteers at community events, and is also available at [www.AgingInReston.org](http://www.AgingInReston.org) to gauge the aging in place concerns of residents, which is being used to shape the October forum agenda. Results of the survey will be shared at the community forum.

The forum is free. Residents are invited to participate in this education session to engage in dialogues about the needs and services for older adults in Reston and surrounding areas, and how they can build an Aging in Community model. Advance registration is requested, and event forms are will be available at the Reston Community Center, [www.restoncommunitycenter.org](http://www.restoncommunitycenter.org), or at the Hunter Mill District web page: [www.fairfaxcounty.gov/huntermill](http://www.fairfaxcounty.gov/huntermill).

Madame Chairman, without objection, I move that the Board direct staff to work with local media to publicize this community event.
