Enriching Lives. Building Community.©

As a key part of the Reston experience,

we'd like to introduce ourselves and be sure you're aware of the opportunities and benefits available to all employees of businesses located in Reston – even if you don't live in Reston! For more than 40 years, Reston Community Center (RCC) has been *enriching lives and building community* for all who live or work in Reston. We offer two conveniently located facilities that boast the following amenities:

the CenterStage

a professional theatre

Terry L. Smith Aquatics Center

a 25-yard lap pool, a warm-water pool and spa

Multi-use Rental Space

available for meetings or events

Fitness/Wellness Studios

Ceramics Studio

Computer Classroom

Woodshop

Art Galleries

Theater Alliance performing Langston Hughes' *Black Nativity*

Reston patrons, including Reston employees and their immediate family members, can enjoy...

Lower fees and priority registration. Because commercial property owners contribute to the support of RCC, employees of Reston businesses enjoy the same low pricing and advance registration privileges as Reston residents.

Thousands of leisure-time experiences. RCC offers more than 2,000 positive, self-development experiences in arts, aquatics, fitness, enrichment and lifelong learning. We also connect the community and help Reston neighbors create memories through special events, outreach activities and facility rentals.

Corporate team-building options to strengthen your workforce. RCC can help your business by providing community service opportunities, team-building sessions and online professional development courses through our new eLearning program. Reston businesses can also take advantage of low Reston rental rates for meetings or special events.

Online convenience. RCC's website has a page just for employees of Reston-based businesses. Visit us at www.restoncommunitycenter.com/restonemployees. Feel free to share this website resource with your colleagues.

The Reston Rate

RCC operations are supported in part by revenues from a special property tax collected on all residential and commercial properties within Small District 5 (which includes most of Reston). Since commercial property owners pay this tax, Reston employees and their family members are extended the Reston rate on all RCC programs.

Learn more

We love having you in our Reston community and hope you and your family take advantage of the many opportunities at RCC. We are happy to meet with you to provide an overview of RCC and the benefits available to Reston employees.
